

2021 Minnesota Swish Tryout Results

Thanks for attending tryouts!

Overall, we had a great turnout which leads to tough decisions on roster placement. Hopefully the reason you are playing is to improve skill level, gain basketball knowledge/IQ, compete, play with and make new friends, and have fun! And you should be able to accomplish all of those things no matter what team you are placed on!

Some of the teams, especially at the 8th and 9th boys levels, are very similar talent-wise due to the depth of talent attending and we likely will enter some teams in the same tournament divisions because of that...so for example if you are on the 3rd team listed, you may play in the same bracket as the 2nd team (or 4th could play same as 3rd, etc). There isn't any or much dropoff in some cases and when kids are similar in ability we tried to balance teams with size, guards that can handle, shooters, etc.

Teams listed by colors will likely be changed to your coaches' last name when those are all set. We have some locked in, but not all yet. We will also need a few more coaches (due to huge turnouts at some grade levels) so please feel free to contact AndrewDahl@HoopsTraining.com if know of someone interested. Typically prefer to have paid non-parent coaches, but if we have some very qualified parents, could consider that route.

Practices won't start up until April 1st at the earliest and email communication will be sent when those are released. Will also update Team Pages on the website. The 1st potential tournament would be the weekend of Apr 17-18, but will be finalizing schedules for each team soon after looking at player and coach availability.

Thanks and GO SWISH!
